## **Teach - Inspire - Equip**

*Welcome to Journey Through Life Ministries' Quarterly Newsletter. We pray you will be blessed by the reading of these inspirational articles.*

*Our goal is to fulfill the great commission Jesus commanded in Matthew 28:16-20 to "...go and make disciples of all..."*

*This is being achieved by working with churches, professional organizations, social services, and the publication of this quarterly newsletter. As an outreach ministry in the communities, we also offer to adults and youth Biblical studies through various enrichment programs, motivational teachings, and discipleship workshops. All of these programs are created to help individuals to discover the "love" of God and who they are in Christ. And, finally these programs will help individuals to learn the "freedom" they have in Christ Jesus as they become "free" spiritually enabling them to live their lives in the purpose God created for them..*

*Charles & Georgetta Head*

*Man doth not live by bread only, but by every word that proceedeth out of the mouth of the Lord (Deuteronomy 8:3).*

If you give, you will receive. Your gift will return to you in full measure, pressed down, shaken together to make room for more and running over. Whatever measure you use in giving—it will be used to measure what is given back to you.

Luke 6:38

**Question:** Is it wrong for Christians to invest money in the stock market or any other investment venture? *Ernest T.*

**Answer:** God is not against His children making honest investments. Matthew 25:14-25 is a parable about a Master giving three of His servants talents (money) to manage in His absence. Two servants traded (invested) their talents and made a good return on their investment. The third servant was lazy and uncaring and hid his talent. Notice in the parable that the Master commended the two faithful servants for investing His money and they were rewarded. The lazy servant was rebuked for his unfaithfulness and his one talent was taken from him and given to another.

God wants His children to be good and wise stewards managing what He entrusts his children with. With that said, **first**, make sure your motives for investing are in alignment with God's principles. Is your motive to get rich and to store up earthly treasures for self; or is your motive to invest for the benefit of God's kingdom and for your future— your retirement years?

**Second**, if you choose to invest in the stock market, do your homework. Do a thorough research on the broker firm and their agents before you make any investment with them. Investing in stocks is a high risk investment! There are so many ways to invest in stocks: individual stocks, mutual funds, index funds, ETFs, domestic, hedge fund, or foreign market - how can you decide what is right for

you? Once again, do your homework. Learn the stock market and the various stock market definitions.

**Third**, another means of investment savings can be done at your local bank by setting up a Roth IRA for retirement. Also, don't forget your place of employment this is a good place to start.

Most employers offer a retirement plan sometimes called a 401K Plan. Check with your benefits department every company has a different name. This retirement plan allows employees to save a percentage of their earnings before they receive their check. The company will match every dollar the employee saves with .50 cents to a \$1.00 of company money for every dollar the employee saves. The plan will offer usually three levels of risk for saving, high risk, medium risk, or no risk saving. Ask your benefits agent to explain these various levels.

Whether you invest or not remember everything we own belongs to God! Include God in every decision-making process. Proverbs 3:5-6 tells us to: *"Trust in the LORD with all thine heart; and lean not unto thine own understanding. <sup>6</sup>In all thy ways acknowledge Him, and he shall direct thy paths."* When we trust God enough to include Him in everything we do, He will give us discernment with whatever we trust with Him, and He will watch over His decisions to prosper them in our life (Matt. 25:14-25).

The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with lovingkindness have I drawn thee. (Jeremiah 31:3)

# Women of The Bible

## *A Life Transformed*

*Rev. Georgetta Head*

**M**ary Magdalene was a devoted follower of Jesus Christ. Although very little is written about Mary except that, she lived in the town of Magdala, she was the leader of a group of women who followed Jesus throughout the end of His earthly ministry, and she was given the first “apostolic” commission to tell the others *“HE IS RISEN!”*

Holy Spirit also reveals to us four important details about Mary: 1) Jesus set her free from seven devils; 2) she was a devoted follower of Jesus; 3) she was at Jesus’ crucifixion; and 4) she was the first to see Jesus when He arose from the grave (John 20:17).

Holy Spirit doesn’t tell us the kinds of devils tormenting Mary, but He does tell us that her life was transformed when Jesus set her free from these devils. Can you just imagine being set free from tormenting devils? Freedom! That’s what it felt like to be set free! What a wonderful gift!

Another reason I believe Holy Spirit doesn’t tell the reader much about Mary Magdalene is because He didn’t want to put attention on her past, because the past is just that *“the past.”* What Holy Spirit wanted to reveal to the reader is that a life touched by Jesus brings about change. This transformed life gave Mary hope! She came to know the peace Jesus’ forgiveness brings and the power of His healing to set her free! Something that anyone bound by sin is hoping for—to live a life free from the torment of sin and sins from the past.

Because of her transformed life, Mary became a devoted follower of Jesus. Daily, Mary sat at His feet learning about the kingdom of God, listening to the Gospel of the Good News, and eternal life — which can be found only in Jesus Christ! Mary found the *Messiah!* Are you bound by a bad habit or sin that has you feeling guilty and ashamed? Are you suffering from mental or physical infirmities? Seek Jesus’ help! Let the Messiah set you free from anything that is troubling you or keeping you bound. He can transform your life just as He transformed Mary Magdalene.

Historians would have the world to believe that Jesus didn’t converse with women; but that is far from the truth! Jesus was very much concerned about women then, just as He is now. Holy Spirit gives many accounts of Jesus conversing with women and healing them from various demons and diseases. Galatians 3:28 tells us *“there is neither male or female but we are all “one” in Jesus Christ.”* Do as the songwriter says: *“Go tell it to Jesus, tell Him all of your problems; give your problems to Jesus, and He will set you free.”* Let Jesus transform your life today and let Him become your main priority.

# Old Testament Survey - Israel's Enemies

Rev. Georgetta Head

**O**ur adversary satan stirred up numerous enemies against God's chosen people Israel. Without knowing who these enemies are, and where they originated from, it can be very confusing when reading the Old Testament. So let's review these individual's who later became nations attacking Israel. They will not be listed in history order.

**Amalek:** Known as the Amalekites they are the great-great-grandson of Abraham. The son of Eliphaz, who was the firstborn of Esau (Gen. 36:10). The Amalekites are seen in the Bible as bitter enemies of Israel. They are last heard of in the days of King Hezekiah (1 Chron. 4:43).

**Ammon:** Known as the Ammonites the son of Lot by his youngest daughter. They are cousins to Israel. They were very hostile to Israel and oppressed Israel during the days of the Judges. Because of their wickedness toward Israel, judgement was pronounced on them and they disappeared from the earth (1 Kings 11:5 & Ezekiel 25:5).

**Moab:** Known as the Moabites they are the son of Lot by his oldest daughter. They were cousins to Israel. The Moabites were not as hostile to Israel as some of the other nations. The Moabites oppressed Israel during the period of the Judges, but Saul defeated them when he became king.

**Assyrians:** The Assyrians were Semites—descendants of Noah's son Shem. The bloodline and

language of the Assyrians was originally quite close to that of the Babylonians. The Assyrians were one of several nations used by the Lord to discipline His people Israel.

**Babylonians:** The ancient city of Babylon is known through the biblical records of Babel in Genesis 10:10). The kingdom of Babylon ended in the year 539 B.C. by the Medes and the Persians. But Babylon was raised up long enough to accomplish the purposes of God.

**Edom:** Known as the Edomites, were the descendants of Esau, the brother of Jacob. The Edomites refused Moses and the Israelites passage through their land, causing great discomfort for Israel (Numbers 20:18-21).

**Egyptians:** Egypt was used by God as the great protector of the infant nation of Israel. Later Egypt became the great persecutor of Israel, thus bringing about the awesome display of God's power.

**Midian:** Known as the Midianites. Midian was the fourth son of Abraham and his second wife Keturah. They were one of the nations that oppressed Israel during the time of the judges. Gideon brought Israel deliverance from the Midianites (Judges 6:33 7:1-14).

Knowing the nations surrounding Israel and their role whether for or against Israel is very helpful when studying. Part 2 on nations that were Israel's enemies will be continued next quarter.

2015 started out with challenges, but Father God worked it out with much favor. Due to extreme weather conditions, the February Annual Tea Party had to be rescheduled to April 11th. Men and Women from 8 different Congregations were in attendance. The Tea Party theme was *"Acts of Kindness—You Are The Light to the World."* Toward the end of the program, all attendees were given a ceramic Bible with the 23rd Psalm written on it and a place for a candle. The attendees after receiving the ceramic Bible formed a huge circle, we lit the candles and sang the song *"Go Light Your Candle."* It was a beautiful site with the overhead lights turned off and the candles lit. Rev. Karen Longcrier closed out the program with an unity prayer.

The Discipleship Workshops began March 28th. This is a four-part series. Rev. Georgetta Head facilitated the workshops on Humility and Gifts and Talents. Sister Gerry Hickman facilitated workshops on Serving/Leadership and Praise and Worship.

Elder Charles and Rev. Georgetta were featured speakers at a Men's and Women's Retreat in Altoona, PA, on June 13th at New Creation In Christ Church, with Pastor Gary Jones, First Lady Kim and Deaconess Diane hosting the event. The retreat theme was *"Derailed and Deterred."* Scripture for the theme was II Corinthians 12:9 *"And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me."*

Elder Charles delivered the morning message to the men on how Apostle Paul was strengthened by God to "go through" his suffering. Rev. Georgetta delivered the afternoon session to the women using Joseph as an example of being derailed from his life's path and how God used what satan meant for bad and turned it into good for a nation. Elder Charles says that Holy Spirit was faithful in bringing the word forth "to the glory of God."

**J**uly 4, 1776, two hundred, thirty nine years ago, marks the day America was liberated to practice freedom of religion and freedom of speech and freedom of press. This monumental day—the Declaration of Independence—was meant to bring peace to a nation struggling for freedom and liberty.

This became a monumental day in history, in which, annually on July 4th millions of Americans gather together to celebrate this historical day of independence.

Well there is another monumental day—a Declaration of Independence— that took place over 2,000 years ago. On this momentous day not one nation, but all nations were liberated to live a life of freedom. This was a day the greatest battle ever was won! The battle to set mankind free from captivity of the enemy.

When Adam and Eve fell due to sin, the curse of death was pronounced on them. Because of sin all mankind was doomed to death and the grave without hope. So, since the fall of man, satan had mankind bound by death and the grave, thinking he defeated God.

But, God had a plan: 1) to send His only Son (Jesus) to earth to teach mankind the way to God—*John 3:16*; 2) for his only begotten son to be crucified on the cross to set mankind free from captivity; 3) and to redeem mankind back to Him—*Acts 4:10-12 & 1 John 4:9*.

A great price was paid that day on Calvary for our redemption and freedom. The crucifixion of God's only begotten Son! *John 3:16-17* tells us "*For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. <sup>17</sup>For God sent not his Son into the world to condemn the world; but that the world through him might be saved.*

Jesus loves the world so much that He made the greatest sacrifice ever—His life for our life. Our unrighteousness for His righteousness. His precious shed Blood

covers our sins so that we could be reconciled to God. So, you see, if Jesus had not set us free by offering Himself as a sinless sacrifice, as a sin offering for the world, everyone would be doomed to hell for the penalty of their sins.

Hell brings everlasting fire, hopelessness and darkness. Eternal life, that Jesus offers, brings life ever after, peace and light; and living in the presence of a living God, God the Father. Freedom brings peace!

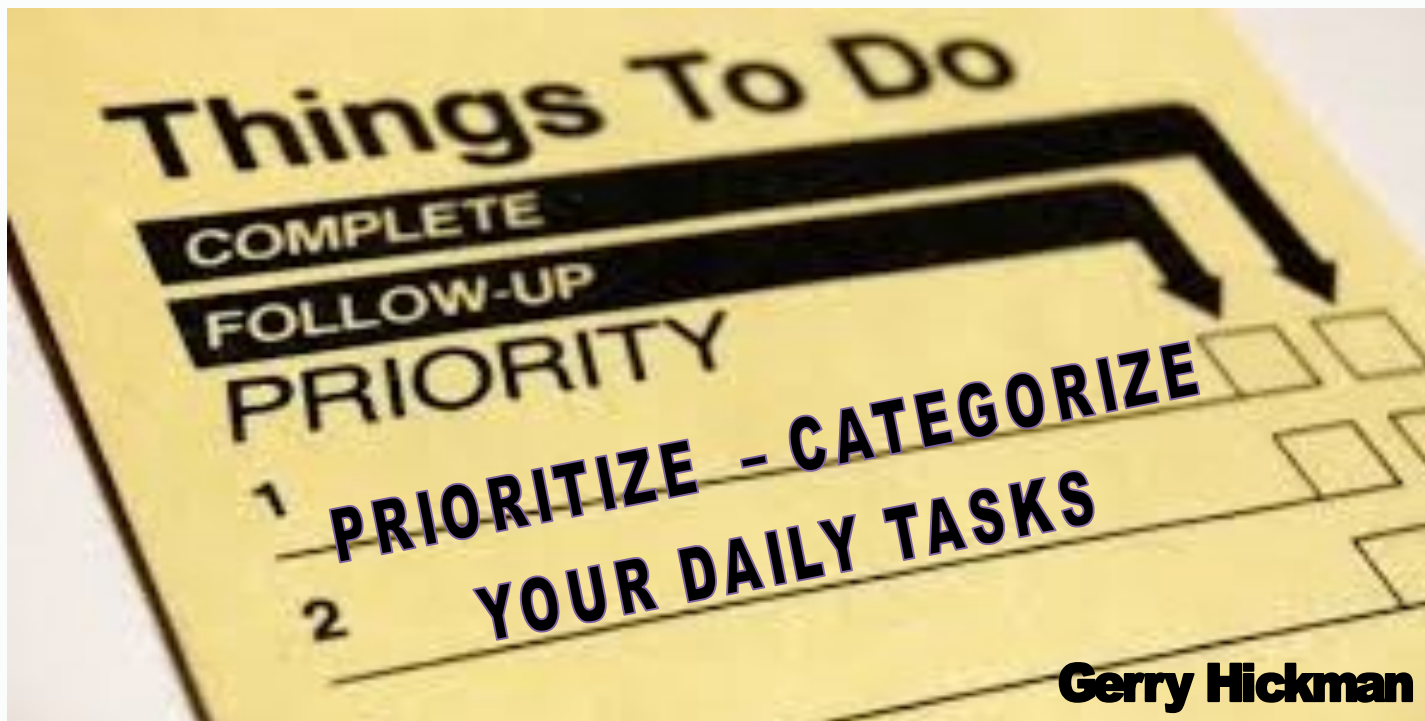

Yes, peace! *John 14:27* gives us the assurance of this promise: "**Peace** I leave with you, my **peace** I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid." We are being told by our Savior not to be afraid because His peace gives us comfort from the confusion of this world. When the world is in chaos, we have the peace of knowing that Father God is in control and will protect his children.

Jesus conquered satan, so when we go through any storm, we can be assured that Jesus' promise of peace will calm our storms.

We have the peace of knowing God's presence goes everywhere we go. We are never left an orphan! Because of Jesus' peace, we don't have to fear death and the grave! Jesus' victory on the Cross promises us freedom from death and guarantees us eternal life with Him.

I agree that the Freedom of July 4, 1776, brought many benefits for America. But it can never match what Jesus did at Calvary for the entire world. His victory set the captives free from the bondage of sin and released them from the penalty of death and eternal hell fire.

We have the freedom to choose life or death. Choosing life gives the benefit of eternal life with God. Choosing death (rejecting Jesus) brings eternal damnation of hell. Make the choice today to choose Jesus as your Lord and Savior. Pray the Sinners Prayer found on page 16 of this newsletter and receive your freedom today.

In Time Management there are two major ways to set priorities—According to **urgency** or according to **importance**. When you set daily priorities according to **urgency**, break them down into the following categories:

- **Must be done today.** These are usually “A” priorities
- **Should be done today.** These are usually “B” priorities
- **Could be done today.** These are usually “C” priorities and could be postponed (but there is no rush).

If you continuously set priorities based upon urgency, you may find yourself putting out fires frequently or never starting a project until the deadline is right around the corner. Don’t get overwhelmed by interruptions or trying to multi-task. You can really only complete one obligation at a time well. When you set priorities according to **importance**, (which is the preferred choice), you may want to examine each activity on your list and ask the following questions:

- **Does this contribute to my long-term goals or is it what God wants me to do?**  
If it does or is, assign it an “A” priority
- **How much time will this take to complete?** (Focus on increments of one hour or less)
- **Can this be broken down into smaller tasks?** If so, it deserves a lower priority (B or C)
- **Can this be delegated?** If so, it deserves a lower priority (B or C)
- **Is this important, even if it does not contribute to any of my plans or goals? Why?**  
If this activity is still important after answering this question, it deserves an “A” priority

Remember to limit the number of activities on your list to a reasonable number that makes sense to you. I usually add no more than 7 tasks to my daily activities list. This helps me avoid time wasters and crowding out the important tasks. As a rule of thumb—every assignment shouldn’t be an “A” priority!

#### What’s next?

- Sometimes a notebook or notepad is all we need for our daily list.
- Daily, weekly, or monthly planners are designed to help you organize and complete your daily activities on time. Choose the format that’s best for you and write your list in your planner. There are a variety of forms or formats available at any office supply store and some are included with or available to download on your device or computer.
- Decide which assignments are the most important or urgent. Mark the most important as “A” priority. Use letters, numbers or symbols to track or distinguish the activities’ status at the end of the day.

# Journey Through "The Reality" of Life

*Rev. Georgetta Head*

Living on planet earth is quite an adventure! With so many voices and choices, along with the world marketing their products and ideas on individuals, it becomes very difficult at times to know what is real and what isn't real. And, to make matters worse, we now have "reality" TV programs trying to influence individuals to live the way they want life to be promoted.

We would like to introduce a new article series, *Journey Through "The Reality" of Life!* Using the subject of "reality" we will explore what the world calls "reality of life" and how we are to respond to the "world's reality" that is being pushed on believers and unbelievers.

The world system (Satan) is trying to influence the world by portraying what God calls evil as good and what God calls good as evil.

So how is this happening in a culture in which 90 percent of Americans call themselves

"Christians?" By slowly flooding our minds and homes with the influences of the world through TV, radio, electronics, digital media, gaming, marketing agencies, government, schools, etc. Satan is the master gamer! His game - destroy God's creation at any means.

So what does the word "reality" actually mean? Webster's dictionary defines it as: *a degree, kind, or point of likeness; a likeness, appearance, or semblance of something.* In other words a counterfeit of the "real" thing! And, we know Satan is very good at counterfeiting.

Christians are being fooled by a square box called television. The enemy (satan) is using TV media to desensitize believers and unbelievers from the truth of God's Word. His number one target—the family. Satan has been after the family since God created the world and mankind.

Let's take a look at TV! When TV first appeared in homes, family values were considered very important. TV programs were cre-

ated promoting family values and goodness in mankind. This all changed! Satan began using the TV media to send subtle messages to everyone that having godly family values isn't fun or interesting. So TV producers introduced sitcoms and TV series that mocked the family, which in turn promoted the wrong image of the family structure. We now have more single parents ever in history and the TV is the babysitter.

God designed an order for mankind, with family being very important to Him. Whenever individuals or society are not living according to God's prescribed order for mankind, there is confusion, chaos, and evil. Mankind is never successful living apart from God and His order. Currently, we can see how disastrous things are without God in the family and in our schools. Since the onset of all these reality TV programs, with the goal of destroying the family, we have more violence and crime in our neighborhoods.

Stay tuned for Part 2 on the importance of family in the 4th Quarter issue.

# Men On A Journey

Elder Charles S. Head

**T**he June 20th Men's Fellowship Breakfast was both encouraging and inspirational. The subject for the month was "Men Ought To Know The Season We Live In" based on the Israelite tribe of Issachar (I Chronicles 12:32 *"And of the children of Issachar, which were men that had understanding of the times, to know what Israel ought to do; the heads of them were two hundred; and all their brethren were at their commandment"*).

The tribe of Issachar was known for having wisdom and knowing what they ought to do during the

season in which they lived, such as leadership roles, governmental issues or state's economy.

Issachar means "God has given me" and this name character represented actually who they were as knowing the times. The Issachar tribe was able to discern what must be done and what must not be done in reference to God's people.

During our meeting we examined and discussed the importance of "knowing the seasons and times" and what we can do as today's men in our communities to represent a Godly example by being aware of the "seasons and times" of today.

We concluded that God has given us His Word and as we seek Him for wisdom, He will give it to us as well (James 1:5). We also concluded that when we lead by example, with wisdom and discernment from God, it will make a difference.

The days in which we live have become evil and full of ungodly people, but God has raised up men who are willing to endure and rise to the occasion in making a change in our country in order to be a "light to a dark world." Men who will stand in the gap and pray for our nation by asking God to heal our land (II Chron. 7:14). We are not only to know what is going on at all times, but what action we can take to make a difference for good.

# The Answer is Always in His Word

**ELDER CHARLES HEAD**

## "WHAT IS YOUR FOCUS ON?"

**W**hat is your Christian life centered around? Is it Christ or other things? It's so easy to allow other things to be the center of our attention as we go through life's experiences. Many things can distract us to the point where our focus is on ourselves, our problems, the cares of this world and other things.

But, really the true center of any born-again Christian's life should be Jesus Christ our Savior. The reason Jesus should be our focus is because He made the ultimate sacrifice for us when He gave His life as a ransom for our sins. Jesus is the one who loved us so much that He came down from His Heavenly abode, suffered much humiliation, pain, persecution, and death — all on our behalf. *Jesus loves us that much!*

Colossians 3:1-7 tells us the reason why we should always love and keep Jesus in the center of our life as number one priority: *"If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God. <sup>2</sup>Set your affection on things above, not on things on the earth. <sup>3</sup>For ye are dead, and your life is hid with Christ in God. <sup>4</sup>When Christ, who is our life, shall appear, then shall ye also appear with him in glory. <sup>5</sup>Mortify therefore your members which are upon the earth; fornication, uncleanness, inordinate affection, evil concupiscence, and covetousness, which is idolatry: <sup>6</sup>For which things' sake the wrath of God cometh on the children of disobedience: <sup>7</sup>In the which ye also walked some time, when ye lived in them."*

Let's not forget to keep Jesus as our primary focus of attention—"keep your eyes on the prize."

## Health Tips

Tips for Healthy Living

# Healthy Living

Rev. Georgetta Head

Eating healthy can be very challenging in today's environment. Everyday we are bombarded with foods that look and taste good, but have no nutritional value or health benefits. The question I have for my readers: *how important is your health to you?* Is it important enough to feed your body nutritional and healthy foods that will give your body what it is craving to maintain a more vital and healthy lifestyle. So what is our body craving: fruits and vegetables. God created all fruits and vegetables with vitamins and

nutrition's that can heal our bodies and keep our bodies fit and healthy.

Did you know that eating a diet rich in vegetables may reduce the risk of stroke, cancer, heart diseases and type-2 diabetes? Also, people who eat fruit and vegetables as part of their daily diet have a reduced risk of many chronic diseases.

Vegetables are an important part of healthy eating and provides a source of many nutrients, including potassium, fiber, folate (folic acid) and vita-

mins A, E and C. Vegetables such as broccoli, spinach, tomatoes and garlic provide additional benefits, making them a superfood!

For example, tomatoes contain lycopene, a potent antioxidant that may protect against some cancers and cardiovascular disease. Make the decision today to try God's superfoods, the benefits will be great and your body will thank you. Try the **Baked Parmesan Tomato** recipe below. (Research from: Dairy Council of California: [www.healthyeating.org](http://www.healthyeating.org))

***What Must I Do to Be Saved?***

Believe in Jesus and pray the "sinner's prayer below!"

Dear Jesus, I come to you today as a lost sinner. I am asking that you save my soul and cleanse me from all sin. I know that I need help and that I can't save myself.

I believe that you are the Son of God. Forgive me for my sins and all wrong doings I have done to others and help me to forgive those who have hurt me. I believe that you died on the Cross for my sins and the sins of the world. I accept You, Jesus, into my heart as my Lord and Savior.

I confess with my mouth the Lord Jesus, as my Savior and believe in my heart that God has raised Him from the dead and You are now seated in Heaven.

=====

Congratulations!

You are a "new creature in Christ and a child of God!" Now share the "good news" by telling someone else about your salvation.
